

IMPORTANT UPDATE REGARDING THE CORONAVIRUS

In an attempt to help mitigate the spread of the Coronavirus (COVID-19) and to safeguard the health of our customers, employees, and communities, **we are continuing to limit access to our branches until further notice. Access will be limited to drive-up window service** for those locations with drive-up capabilities. **ADDITIONALLY, effective Monday, March 30, 2020, and until further notice, ALL of our branch locations will be closing at 4:00pm Monday through Friday and at 12noon on Saturdays (for branches normally open on Saturdays). All branch opening times will remain the same.** Staff members will be available to assist customers by telephone during these hours. Please call your branch directly for an appointment to access your safe deposit box. We ask that all routine transactions be conducted through our drive-thru facilities for your protection as well as the protection of our employees.

A complete directory of our branches and related phone numbers are listed below. Please contact your respective branch office to set up an appointment or if you need any additional assistance.

We are taking precautionary measures to minimize exposure within our offices by following the social distancing guidelines recommended by the CDC. We are proactively doing everything we can to minimize disruptions to our banking operations.

As always, our ATMs, online and mobile banking services are available 24/7. For more information or for help accessing our digital services, please contact us at **1-888-868-3858 Option 4** (7:00 AM to 9:00 PM ET Monday through Friday; 8:00 AM to 5:00 PM Saturday).

We appreciate your continued support and understanding in this difficult time of uncertainty. Working together, we can all do our part to help protect our local communities.
